U Can't Shine Like Me

Romeo

Got a music
[Incomprehensible]
Salute youAre you serious, man?
The ice in the chain, man, the ice in the watch
They must not know who I be
We got the hood, Preston in the buildingDon't start none, it won't be none
Don't start none, it won't be none
Don't start none, it won't be none
Don't start none, it won't be noneYou can't shine like me, ride like me
Pull dymes like me, if you ain't from the streets
I'ma hood star, you know who I'm is
I rock big ice, you can't live how I liveYou can't shine like me, ride like me
Pull dymes like me, if you ain't from the streets
I'ma hood star, you know who I'm is
I rock big ice, you can't live how I live10 karats on my earlobes cheek
BBS is on my wrist, 20 karats on my neck
While you'll sliding in that little bit of O6 vet
I'm waiting on the runway for my G4 jetI'm ahead of the thing you see your boys got next
Did a little bit of acting just to stack a few checks
I ain't gotta remind y'all how the game go
I'm the youngest with a clothing line first wit a TV showI ain't in the pros and I got three black cards
Call the saints over they gone practice in the backyard
I do it big, I guess, I say I'm just the best at it
Had a mil early man, I been learned my mathematicsOh, oh, 02 cop them 06
Boy stop stunting if I wanted I could have your chick
Don't get it twisted, Richie Rich, so gutta
You's a momma boy, I'm the son of a hustlaYou can't shine like me, ride like me
Pull dymes like me, if you ain't from the streets
I'ma hood star, you know who I'm is
I rock big ice, you can't live how I liveYou can't shine like me, ride like me
Pull dymes like me, if you ain't from the streets
I'ma hood star, you know who I'm is
I rock big ice, you can't live how I liveSee me, I'm so fly and I'm different from them other brothers
Only sixteen and I don't live home wit mother
I keep it real, don't believe, you can ask my brother
Kids popping in grillz then they think they getting tougherThey try to take of they shirts and ain't getting buffer
I'm benching 180 and that's just wit one muscle
I see dudes trying to act like me, be like me
Dawg even dress like me, noYou're not me and there won't be another

Skip that let me get to the jewels and the covenant
So many rocks on my hand, I'm a certified hustla
Got a wizard on your hands kinda like Caron ButlerWho, me? I just learn from the best hood star
Down south wit' a mansion on the west, yes
I got a Bentley that I don't even drive
And I just bought a Phantom just to see how it rideYou can't shine like me, ride like me
Pull dymes like me, if you ain't from the streets
I'ma hood star, you know who I'm is
I rock big ice, you can't live how I liveYou can't shine like me, ride like me
Pull dymes like me, if you ain't from the streets
I'ma hood star, you know who I'm is
I rock big ice, you can't live how I liveYoung E, check the six time zone
Throw away your little jewelry all that fake rhinestone
My ride home 'cause it's the me in the range
Don't have to window shop boy look at dat ice thing changeCheck the paint color boy it consistently change
Me and my big brother paid, man, we changing the game
Little ice on my neck I'm so country and gutta
I'm ah hood star rich boy, No.1 hustlaI'm in the Bent GT with heavy metal on the seat
I lose the roof on 22's canary yellow in my teeth
You dudes slow, I don't ever see you'll caching up with me
You way below the sea level, me I'm stepping on the beachNo reach, I'm ahead of you my house is all momma's
Kool aid in a water fountain cost 'bout three thousand, thousands
Listen, I'm thugin', man, you know, how I'm rocking
And keep me mo' dimes than John StocktonYou can't shine like me, ride like me
Pull dymes like me, if you ain't from the streets
I'ma hood star, you know who I'm is
I rock big ice, you can't live how I liveYou can't shine like me, ride like me
Pull dymes like me, if you ain't from the streets
I'ma hood star, you know who I'm is
I rock big ice, you can't live how I live
