Purpose Driven Life

Jamie Rivera

Many days have come and gone
Many years seem to have been wasted
Round and round, like an aimless journey seems
Like we've been here before
Why on earth am I here for?

Come my friend, stop for a while
Life must be more than just existing
Round and round like a Carousel ride
Shall we end where we began?
Tell me so I'll understand.

Let us begin to live this life
let us together seek its purpose
Life is not a pointless venture
Eternity is for sure
Open up and receive this truth in your heart
That God was smiling at your birth
And has a purpose for your life

Come my friend, stop for a while
Life must be more than just existing
Round and round like a Carousel ride
Shall we end where we began?
Tell me so I'll understand.

Let us begin to live this life
let us together seek its purpose
Life is not a pointless venture
Eternity is for sure
Open up and receive this truth in your heart
That God was smiling at your birth
And has a purpose for your life

I know the plans I've laid for you
Plans for goodness says the Lord
We were mad to last forever
And heaven is our home.

Let us begin to live this life

let us together seek its purpose
Life is not a pointless venture
Eternity is for sure
Open up and receive this truth in your heart
That God was smiling at your birth
And has a purpose for your life

Let us begin to live this life
let us together seek its purpose
Life is not a pointless venture
Eternity is for sure
Open up and receive this truth in your heart
That God was smiling at your birth
And has a purpose for your life

Yes, God was smiling at your birth
Begin to live this with purpose
A PURPOSE DRIVEN LIFE...
