

White Lace And Strange (Radio Appearance)

Nirvana

That is the way you want it.
You wanted it to be the way you like it. I
I'm no lover.
We wanted you to see it the way you wanted, all right. I could be crazy
But I could be human.
I never wanted to open your eyes
I could be crazy.
But I could be human.
I never wanted to. yeah! I'm no lover.
You wanted to be living up in the air, yeah (?).
I'm no lover.
But please let go of the human; that's me.
