Redeeming Love

Amy Stroup

[Verse 1:]
It's too late to tell
The damage done
It's too late to find
Where the source came fromForgiveness calls
It beckons me
To find the courage
Let it be[chorus]
I fixed my eyes
On redeeming love (4x)[Verse 2:]
You can't turn back time
You can't erase the truth
You can't relive things
You wanna undo
Fall for words
It'll mark your soul
You heart tender
And your thoughts boldAnd I fixed my eyes
On redeeming love (4x)I fixed my eyes
On redeeming love (4x)
