Girls Just Want To Have Fun (feat. Adam Lazzara)

The Maine

I come home in the morning light.
My mother says
"When you gonna live your life right?"
Oh mother dear, we're not the fortunate ones
Oh mother dear, we're not the fortunate onesAnd girls just wanna have fun
Oh girls just wanna have fun
Oh girls just wanna have fun
Yeah girls just wanna have...
That's all they really want
That's all they really want
That's all they really want
That's all they really want
That's all they really want
That's all they really want
That's all they really want
The phone rings in the middle of the night,
My father yells,
"What cha ya gonna do with your life?"
Oh Daddy dear, you know your still number one
Oh Daddy dear, you know your still number oneBut girls just wanna have fun
Girls just wanna have fun
Girls just wanna have fun
Girls just wanna have fun
Yes, Girls just wanna have fun
Girls just wanna have fun
Girls just wanna have...
That's all they really want,
That's all they really want,
That's all they really want,
That's all they really want,
That's all they really want,
That's all they really want,
That's all they really want
And girls just wanna have fun
And girls just wanna have fun
Yeah girls just wanna have fun
And girls just wanna have fun
That's all they really want
That's all they really want

That's all they really want
That's all they really want
That's all they really want
That's all they really wantSome boys take a beautiful girl
And hide her away from the rest of the world.
I wanna be the one to walk in the sun
When the working day is done
When the working day is done
