

All Your Love

Otis Rush

All the love I miss loving, all the kiss I miss kissing.
All the love I miss loving, all the kiss I miss kissing.
Before I met you baby, never knew what I was missing.

All your love, pretty baby, that I got in store for you.
All your love, pretty baby, that I got in store for you.
I love you pretty baby, well I say you love me too.

All your loving, pretty baby, all your loving, pretty baby.
All your loving, pretty baby, all your loving, pretty baby.
Since I first met you baby, I never knew what I was missing.

Hey, hey baby, hey, hey baby.
Yeah, yeah, yeah, yeah, yeah, baby, oh, oh, baby.
Since I first met you baby, never knew what I was missing.
