The Luckiest Crime

Puggy

Say something sweet
When they find me hanging in our room by the sea
La la la la la la la
Wear something cheap
Tell them you went out to tango
So casually... Yeah
So divine
Your luckiest crime
That ended in mine
I saved your time
A considerate mind that's mine mine mine mine mine
You had me impressed
The lies you told them were good
The tears were best
La la la la la la la
I sure was amused
You should have seen me smiling from the top of the room
So divine
Your luckiest crime
That ended in mine
I saved your time
A considerate mind that's mine mine mine mine mine
So divine
Your luckiest crime
That ended in mine
I saved your time
A considerate mind that's mine mine mine mine mine
So naturally
You make me want to kill myself
Not hard to believe
La la la la la la la
So divine
Your luckiest crime
That ended in mine
I saved your time
A considerate mind that's mine mine mine mine mine
