Sorry

Puggy

I told you that I didn't want to go
I told you I don't want to
Sleep aloneAs the minutes passed you said to
Stay but nothing here would lastThen it all started with a kiss
Life it seems could never taste like this
With the morning came the pain
You had left me all the sameWell I couldn't deny that this made me feel safeAs time that is passing me by is changing my face
I'm sorry you didn't notice
I'm sorry you didn't notice
I'm sorry you didn't notice what this meant
So what was it all for anyhow and who's to blame
You've come up with a hundred ways to lie
Honesty is something you should try
A smile, a kiss, you're wicked just like this
And never told me why
