Painted Pony

Teddy Wender

How do I get you to see?
I know that I hurt you, but inside it's killing me
I tried to tell you that this love
Needed more than I could give
I'd only fail you with the
Way I live
I'm just a...Painted Pony on a
Merry-go-round
You can't stop me, you can't
Slow me down
And god I know it's hard for you
But babe you know it breaks my heart too
Cuz you know that I'm bound
To just keep going round and round
And round and round and round...I know that's all for the best
But looking at you, I feel it less, and less and less
The strength I need to walk away
I'm struggling to find
Right now it feels so cruel and
Not so kind...Painted Pony on a
Merry-go-round
You can't stop me, you can't
Slow me down
And god I know it's hard for you
But babe you know it breaks my heart too
Cuz you know that I'm bound
To just keep going round and round
And round and round and round...And round... And round...I'm just a...
Painted Pony on a
Merry-go-round
You can't stop me, you can't
Slow me down
And god I know it's hard for you
But babe you know it breaks my heart too
Cuz you know that I'm bound
To just keep going round and round
And round and round and round...
