

# Rootless Tree (Intro)

Damien Rice

What I want from you is empty your head  
But they say be true, don't stay in your bed  
And we do what we need to be free  
And it leans on me like a rootless tree What I want from us is empty our minds  
But we fake, we fuss and fracture the times  
We go blind when we've needed to see  
And this leans on me like a rootless Fuck you, fuck you, fuck you  
And all we've been through  
I said leave it, leave it, leave it  
It's nothing to you And if you hate me, hate me  
Hate me and hate me so good  
That you just let me out  
Let me out, let me out?  
It's hell when you're around Let me out, let me out, let me out  
Hell when you're around  
Let me out, let me out, let me out What I want from this is to learn to let go  
No, not of you, of all that's been told  
Killers re-invent and believe  
And this leans on me like a rootless Fuck you, fuck you, fuck you  
And all we've been through  
I said leave it, leave it  
Leave it, it's nothing to you And you hate me, hate me  
Hate me and hate me so good  
That you just let me out  
Let me out, let me out?  
It's hell when you're around Let me out, let me out, let me out  
It's hell when you're around Let me out, let me out, let me out  
Hell when you're around  
Let me out, let me out, let me out  
Hell when you're around Let me out, let me out, let me out, let me out  
Let me out, let me out, let me out, let me out  
Let me out, let me out, let me out, let me out  
Let me out, let me out, let me out Fuck you, fuck you, fuck you  
And all you've been through  
I said leave it, leave it  
Leave it, it's nothing to you And if you hate me, hate me  
Hate me, and hate me so good  
That you just let me out, let me out  
Let me out, let me out, let me out? Let me out, let me out, let me out, let me out

Let me out, let me out, let me out, let me out  
Let me out, let me out, let me outLet me out, let me out, let me out  
Hell when you're around  
Let me out, let me out, let me out  
Hell when you're aroundLet me out, let me out, let me out  
Hell when you're around  
Let me out, let me out, let me out  
Hell when you're around
