Like Nobody Else

RAYE

I'm here, I'm gone, girl you got me good
I got your love so strong like I knew I would
And your smile knocks me out like nobody else
Baby you get me high like nobody elseI'm found, I'm home, finally understood
Got my love so strong like I knew you should
When you look at me I see nobody elseI will try my best, I will give my all, baby
Trying not to screw this up
I'll give you everything, I will give my heart, baby
Just can't seem to get enough
I will try my best, I will give my all, baby
I'll give you everything, I will give my heart, baby
Got my heart in your hands, girl you're all I see
I'm your girl, I'll be there any day of the week
It's too good to be true like nobody else
You're too good to be true like nobody else
Like nobody else
Like like like nobody else
Like nobody else
Like like like nobody else
I will try my best, I will give my all, baby
Trying not to screw this up
I'll give you everything, I will give my heart, baby
Just can't seem to get enough
I will try my best, I will give my all, baby
I'll give you everything, I will give my heart, baby
