I Can Wait

MIKESCHAIR

Oh, the night is dark and the road is hard.
Lord, my heavy heart is about to break. I'm face to face with a need for faith. Give me eyes to see past the day.
Cuz where we see out, gravity hurts when i get knocked down. Don't need to know why, give me the faith to know you're on the time and not a second late.
So, I can wait.
I can wait and I can wait, you're right on time and not a second late.
I can wait.
Lead me by your truth, that will never move.
Cuz i need a light that will never fade.
Lord, your plans are for me, even when I can't see the whole story. Give me eyes to see past day.
Cuz where we see out, gravity hurts when I get knocked down. Don't need to know why, give me the faith to know you're on time and not a second late.
So, I can wait...
I can wait,
I can wait, You're right on time and not a second late.
So, I can wait.
I can wait.
Through the fire, through the rain, through the joy and through the pain. Through all I can wait, cuz Thank God for your love for me.
Cuz when we see out, gravity hurts when I get knocked down. Don't need to know why, give me the faith to know you're on time and not a second late.
Cuz when we see out, when gravity hurts when I get knocked down. Don't need to know why, give me the faith to know you're on time and not a second late.
So, I can wait.
I can wait, I can wait, you're right on time and not a second late.
I can wait.
So, I can wait...
