Another Love - Zwette Edit

Tom Odell

I wanna take you somewhere so you know I care
But it's so cold and I don't know where
I brought you daffodils in a pretty string
But they won't flower like they did last springAnd I wanna kiss you, make you feel alright
I'm just so tired to share my nights
I wanna cry and I wanna love
But all my tears have been used up
On another love, another love
All my tears have been used up
On another love, another love
All my tears have been used up
On another love, another love
All my tears have been used up
I wanna take you somewhere
So you know i care
But it's so cold and I don't know where
I brought you daffodils in a pretty string
But they won't flower like they did last springAnd I wanna kiss you make you feel alright
I'm just so tired to share my nights
I wanna cry and I wanna love
But all my tears have been used up
On another love, another love
All my tears have been used up
On another love, another love
All my tears has been used up
On another love, another love
All my tears have been used up
I wanna take you somewhere so you know I care
But it's so cold and I don't know where
I brought you daffodils in a pretty string
But they won't flower like they did last springAnd I wanna kiss you make you feel alright
I'm just so tired to share my nights
I wanna cry and I wanna love
But all my tears have been used up
On another love, another love
All my tears have been used up
On another love, another love
All my tears have been used up
On another love, another love

All my tears have been used up
