Wit de goblin
De Goblin Girl

From da mystery world*(TRICK OR TREAT NOW...etc)*

Talkin' 'bout the bad girls

All the Goblin Girls

Talkin' 'bout the bad, bad girls

The little Goblin Girls

Some are called Doreen

Some are dressed in green

They're tricking your treat

But they're bad girls

They're very bad girls

(LEPRECHAUN LIGHT...etc.)

They make your face look like

you got scales on it

But that's okay...

When the green light shines down

On the black guys in the band

Everybody in the audience

Thinks they're seeing something

That looks like it's made out of

Fish skin

But Coy leaves the green gels in the truss

Because he knows the guys in the front

Really enjoy looking like they've got

Scales all over their body...
