If Only

Queens Of The Stone Age

If it gets you down well then I'll take it
If it gets you up well I don't want it
It let you down, so broken hearted
If it gets you down well then I want itIf only, if only, if only
If only we're nothing at allSo blow our mind and make it lazy
Those long, long days with no escaping
I hold the wheel to let it go
Don't wanna stop, don't wanna know
If it gets you down, well just don't blame meIf only, if only, if only
If only, if only, if only, if only
If only we're nothing at all
