On & On

Rebecca Ferguson

All the songs I've sung you
More often than you know
Cuz your the love that I've.....
More often then I let it show.And I wish you would leave me.
And I wish you would go
And I wish you didn't need me
And I wish I didn't love you so.Chorus
Cuz I just can't go on
So please don't do me wrong
No I won't do you harm
My love for you goes on and on.There's no one else I wan't beside you
Give me your coldest sholder to cry upon
You know that anywhere I'd find you
You know that your my anything I rely on.And I wish you wouldn't leave me
And I wish you wouldn't go
And I wish you didn't need me
And I wish I didn't know..That I just can't go on
So please don't do me wrong
No I won't do you harm
My love.... goes on and onGoes on and on (repeats several times)No I just can't go on
So please don't do me wrong
No I won't do you harm
My love.... goes on and on
