Repeat

Douglas Dare

Days go by so slow for me
Eyes I try to force feed
You were warningBehind glass eyes
it's hard to tell
whether pleasure is reaching your cells
Oh I'm helplessI keep repeating myself
Each time the same line
but nobody's listening to meI've been tolling confidence
But I can't shy away from this
Oh I'm helpless
I keep repeating the same line over
time and time again
I'm repeating myself
But nobody's listening to me
