

Love Scene (ooh Baby)

Janet Jackson

Ooh baby, ooh baby
Ooh baby, ooh baby
Ooh baby, ooh baby
Ooh baby, ooh baby
Lying here, I imagine you with me
On this rainy night
I feel your touch as your hands move slowly
Up my thighs
You taste the honey, they begin to pour it slowly
Wherever you desire
To feel you play with my body this way
Makes me say
Ooh baby, ooh baby
Ooh baby, ooh baby
When you are touching me
Ooh baby, ooh baby
Ooh baby, ooh baby
Whispered words, fantasies in my ear

You know this I like
Just tell me how, when and where you want me and
I'll be there
Ooh baby, ooh baby
Ooh baby, ooh baby
When you are holding me
Ooh baby, ooh baby
Ooh baby, ooh baby
Ooh baby, ooh baby
Ooh baby, ooh baby
When you're loving me
Ooh baby, ooh baby
When you're fucking me
Ooh baby, ooh baby
Ooh baby, ooh baby
Ooh baby, ooh baby
Ooh baby, ooh baby
Ooh baby, ooh baby
