Reloaded

Marschmellows

Baby i've got a lot of questions
You better listen up please
I wanna know what you want and need
To charge up your batteries
You got the flow and the intention
Boy but have you got the miles (got the miles, got the miles)
Show me that you've got the ammunition
That you're good for a while, for a while, for a while
Charge it up because ba-by you could be mine
I don't need a red soldier
I need you to reload it
Bring it reloaded
Charge it up cause babe i'm one of a kind
I don't need a red soldier
I need you to reload it
Bring it reloaded
Reloaded, Loaded
Lo-oaded, Lo-oaded
Reloaded, Loaded
Relo-oa-de-ed, Lo-oa-de-ed
Reloaded, Loaded
Lo-oaded, Lo-oaded
Reloaded, Lo-oaded
Relo-oa-de-ed, Lo-oa-de-ed
You had better rest up your energy
You better reserve yourself
Cause tonight I'm expecting to get plenty
And I wont do it myself
Conserve your juices cause I'm gonna
Take you on a marathon
I'm not ridiculous I'm just a girl
Who like's a man who can't go wrong
can't go wrong, can't go wrong
Charge it up because baby you could be mine
I don't need a red soldier
I need you to reload it

Bring it reloaded
Charge it up cause babe i'm one of a kind

I don't need a red soldier
I need you to reload it
Bring it reloaded
Reloaded, Loaded
Lo-oaded, Lo-oaded
Reloaded, Loaded
Relo-oa-de-ed, Lo-oa-de-ed
Reloaded, Loaded
Lo-oaded, Lo-oaded
Reloaded, Lo-oaded
Relo-oa-de-ed, Lo-oa-de-ed
Baby you can check for yourself
I'm gonna spin you and at that I'm gonna do ya right
And I wont complain unless your buggin and
Can't handle my lovin tonight, tonight, tonight
