

Boomerang Love

Boomerang love

By: jimmy buffett

1989

Hole in the wind behind the island
Big blue hole in the middle of my heart
I can't forget the time we spent together

I can't remember how long

Long we've been apart

Chorus:
Riding on a boomerang love circling fast

Hard to see in a sky so vast

Laugh till you cry, cry till you smile

Up and down all around

Boomerang, boomerang, boomerang, boomerang love

Boomerang, boomerang, boomerang, boomerang love We both know we live in different orbits

Different islands different worlds

Though we really are the same

I'm just glad, glad we started talking

Finally realize no one is to blame

Chorus:
Riding on a boomerang love can't let go

Running fast, moving slow

What's the right way, who is to say

Tension and suspension

On a boomerang, boomerang, boomerang, boomerang love

Boomerang, boomerang, boomerang, boomerang love Big blue hole out in the ocean

Where I dive straight down until I cannot see

Feel my way through a bevy of solutions

There I realize the answer is in me Gettin' off of this boomerang love, comin' up for air

I want to do what's right, I want to do what's fair

Come what may we'll find a way

No more tension or suspension

No more boomerang, boomerang, boomerang, boomerang love

No more boomerang, boomerang, boomerang, boomerang love

No more boomerang, boomerang, boomerang, boomerang love Boomerang, boomerang, boomerang, boomerang
love

Oh...
