Damaged

New Ridaz

Itz the ridaz

I been hurt before
'cause he took my everything
that i ever loved,he took away my wings
So if you want me now you gotta
promise me that you'll never be the one
who damaged me

All i wanna do is be with you
I'll promise you the world if you're
my girl waste no time to make you mine
Damn pretty girl,
You're lookin' fine
Movin too fast,
Lets take it slow babygirl,
I love you so tell me what you wanna do
Im real when i say im here for you
Let me love you let me kiss you
Sexy body,Damn i need you now
you know just how i feel
Ask myself,are you for real?
My heart awaits your warm embrace cant wait
to see your lovely face
come on girl,
Lets get together Silly,
You're just mad forever
i been hurt before
'Cause he took my everything
that i ever loved he took away my wings
so if you want me now you gotta promise me that
you'll never be the one who damaged me
Now i dont blame you we've all had our
Heartaches Lovin with good times
but that dont mean that i call it quits with everybody you
meet believe me, i know i been there and done that
been though what you felt ive tasted my pain also
but that dont mean love aint out there for us to have it
to hold somebody close again i know its hard but theres a lot

more smiles than tears.girl
too many good times for us to think about those bad years

I been hurt before 'cause he took
my everything that i ever
loved he took away my
wings so if you want me now
you gotta promise me
that you'll never be the one who damaged me

(Why wont you let me?)
You know that i cant
(Why wont you believe me?)
i heard it before he told me
he loved me looked into my eyes
and i was so stupid i trusted his lies
i promise i never,ever make you cry
You got me so twisted for you i will die
Too many chances
(You gotta trust me)
Its always the same
(Then why you blame it on me?)
