While You're Out Looking for Sugar

Joss Stone

How long can i go on amusing myself
Night after night sitting all alone
While you're in the arms of someone else
Don't you know thatWhile you're out looking for sugar,
Somebody's gonna take your honey and go
While you're out looking for sugar,
Somebody's is tryin take your honey and go
You just buzz, buzz, buzz here and there
Uh oh eh everywhereYou think you're the sugar oh daddy with a candy kiss oh yeah
You think about your love and baby i just can't exist mhmWhile you're out looking for sugar,
Somebody's gonna take your honey and go
While you're out looking for sugar,
Somebody's is tryin take your honey and goWell how can i be faithful?
Truly, i don't know
If i find myself in the arms of someone else,
Is all your faultWhile you're out looking for sugar,
Somebody's gonna take your honey and go
While you're out looking for sugar,
Somebody's is tryin take your honey and go
You just buzz, buzz, buzz here and there
Uh oh eh everywhereYou sneak across the floor baby with your shoes right in your hands
Well how much more do you think I can stand?While you're out looking for sugar,
Somebody's gonna take your honey and go
While you're out looking for sugar,
Somebody's is tryin take your honey and goWhile you're out looking baby,
While you're out looking baby,
While you're out looking for sugar
You got some honey at home
She's all aloneWhile you're out looking for sugar,
Somebody's gonna take your honey and go
While you're out looking for sugar,
Somebody's is tryin take your honey and go
Gone, gone, gone, gone, gone
Take it right
