Connected

Juana

ConnectedI am a lost cause I am a zero
Always the victim and never the hero
I'm a mother's nightmare
And my daddy don't care
Slipping out the back door
Gotta head for somewhereI'm gonna go
You won't even notice
I'm gonna go electric
When I'm on the outside
That's when it's so right
Gotta be something real
Wanna feel connected
I am the no one
You are the someone
Don't you ever think that you got me all wrong
You have the reasons, I have excuses
How can you make me feel so uselessI'm gonna go
You won't even notice
I'm gonna go electric
When I'm on the outside
That's when it's so right
Gotta be something real
Wanna feel connectedGotta go where I know I won't feel predicted
I wish somebody somewhere would give me credit
there, I said it
you want perfection but I'm
onyl human
So you give me no choice but to
do what I'm wrongI'm gonna go
You won't even notice
I'm gonna go electric
When I'm on the outside
That's when it's so right
Gotta be something real
Wanna feel connectedI'll disappear, don't interfere
not that I ever expected
When I'm on the outside that's
when it's so right
Gotta be something real wanna

feel connectedI am a lost cause
I am a zero
Always the victim but never
the hero
