Trouble

Chris Rene

Trouble, trouble
Uh oh, uh oh
She knows just the way to walk on by that makes my heart stop
I don't know the way to say good night, cause she don't want me
To go nowhere, without her there, she's everywhere
I don't need trouble just some music and a little chance to sing my song
That girl is trouble, trouble from her head to her toes
Uh oh, uh oh, always takin off her clothes
Trouble, trouble when her lips touch mine
Only had to happen one time that girl is
Trouble, trouble like a sting from a bee
Uh oh, uh oh and she's takin over me
Trouble, trouble even blind men can see
That's why I gotta run, why I gotta run baby
Trouble, trouble (baby)
Uh oh, uh oh
I woke up to hear on my telephone, talking crazy
She said, come over now, nobody's home, I said, baby,
I don't know if I should go, trying to take it slow
I don't need trouble but I choose it, at least that's the way it seems (yeah)
That girl is trouble, trouble from her head to her toes
Uh oh, uh oh, always takin off her clothes
Trouble, trouble when her lips touch mine
Only had to happen one time that girl is
Trouble, trouble like a sting from a bee
Uh oh, uh oh and she's takin over me
Trouble, trouble even blind men can see
That's why I gotta run, why I gotta run
Mama always said there'd be girls like this
Never did I know they'd be this fine
First a passing glance turned into a kiss
Now she's running through my mind
That girl is trouble, trouble
She is uh oh, uh oh
That girl is trouble, trouble
Only had to happen one time
That girl is trouble, trouble from her head to her toes
Uh oh, uh oh, always takin off her clothes
Trouble, trouble when her lips touch mine

Only had to happen one time that girl is
Trouble, trouble like a sting from a bee
Uh oh, uh oh and she's takin over me
Trouble, trouble even blind men can see
That's why I gotta run, why I gotta run baby
Trouble, trouble
Uh oh, uh oh
It only had to happen one time (trouble, trouble)
It only had to happen two times, three times, four times, five times
