Bonus Moshpit Part 2

Taking Back Sunday

So scream, I heard about your message
And how it reeks of your indifference
Simply tie horizontal strings from your wrists
(So scream louder now)I'm bound to come around about
(I'm bound to come around)
Well, can't you, can't you feel it rolling off your lips
Tensing up your shoulders? Come on, say itWell it's love
(It's love)
Make it hurt
(I deserve it)Well, it's love
(It's love)
Make it hurt
(I deserve it)Well, it's love
It's love, it's love
Make it hurtI said, I used the inconsistencies to undress the machine
You're the poster boy, the selling point
The focus for the new campaign
Something has to be doneI'm bound to come around about
(I'm bound to come around)
Can't you, can't you feel it rolling off your lips
Tensing up your shoulders? Come onWell it's love
(It's love)
Make it hurt
(I deserve it)Well, it's love
(It's love)
Make it hurt
(I deserve it)Well, it's love
It's love, it's love
Make it hurtThe keys to the castle are right where I left them
The princess walked in just to take more attention
'Cause after all, well, isn't that all that I've been after
And after all, well isn't that all that I'm after, you're soNo way out
(I give up in you, I give up in you)
No way out
(I give up in you)
No way out
(Well, I give up in you, I give up in you)
No way out
(I give up in you)I wanted you for nothing more

Than hating you for what you were
If that's what you wanted to hear
(Well if that's what you wanted to hear)I wanted you for nothing more
Than hating you for what you were
(Don't leave, leave)
If that's what you wanted to hear
(If that's what you wanted to hear)I wanted you for nothing more
Than hating you for what you were
(Don't leave, leave)
If that's what you wanted to hear
(If that's what you wanted to)It's love, it's love
(I wanted you for nothing more)
Make it hurt, I deserve it
(Than hating you for what you were)If that's what you wanted to hear
(That's what you wanted to hear)
That's what you wanted to hear
(To hear)
If that is how we let it burn
