Scattered

Side FX & Kim Cameron

Struggling to make him happy,
There's never enough of my time.
I am so torn with the passions in my life.I can hear you knocking
Always wanting to come in
Can I reach the door before your sound is gone again?Dreaming of lazy ways like summer days (2x)
....Scattered pieces of my life (2x)What I can give is just a speck
No matter how much I have left
it's never enough-
I cannot choose, without regret it's just no use(Chorus)
We've both changed our lines,
It's time to make up our minds
Fate brought us together;
don't let it pull us apart
