Life's A Gamble

RKL

Life's just a game that you have to play,
Gotta have a hand just to stay sane,
Why's it always seem I lose my turn?
Well, the game's gotten old and my brain is sore,
I still role the dice, but I can't keep score,
Still just a pawn, I await my crown.
My life lies on an old chess board,
I hide in the corners to avoid the storms,
Maybe some day I might just win.
I know some day when the tables turn,
I'll jump ahead and you'll be burnt.
All I ask is just a chance.
Gamble with life everyday,
Time doesn't matter anyway.
You can say that I'm so lost,
But you're just the one who sits home and rots!
I'm gonna have me some fun!
I won't stop 'till I'm done.
I won't sit home all locked up.
I'm gonna go out an get things done.
I'm not afraid to change my life.
I'm gonna do what's Right for me.
I'm gonna have me some fun!
I won't stop 'till I'm done.
I won't sit home all locked up.
I'm gonna go out an get things done.
I'm not afraid to change my life.
I'm gonna do what's Right For Me.
Gamble with life everyday,
Time doesn't matter anyway.
You can say that I'm so lost,
But you're just the one who sits home and rots!
But I'm gonna have me some fun!
Won't stop 'till I'm done.
I won't sit home all locked up.
I'm gonna go out an get things done.
I'm not afraid to change my life.
I'm gonna do what's Right For Me!
