The Rhythm

MNEK

[Verse 1]
If I let the rhythm get to me then I don't know what I would be
Think I just might lose my mind
If I let the rhythm get to me, it will take all of me
I'll lose track of space and time[Link 1]
Oh yeah yeah yeah yeah yeah yeah yeah, fever pitch
Just like a shot running through my veins
Oh yeah yeah yeah yeah yeah yeah yeah, flick the switch
And you'll ignite an eternal flame[Verse 2]
If I let the rhythm get to me then I don't know what I would be
Think I just might lose my mind
If I let the rhythm get to me, it will take all of me
So I cannot go this time[Hook]
If I let the rhythm get to me
If I let the rhythm get to me[Verse 3]
If I let the rhythm get to me then I don't know what I would be
Think I just might lose my mind
And when it takes over me, it starts emotionally
I lose myself in flashing light[Link 2]
Oh yeah yeah yeah yeah yeah yeah yeah, no escape
It seems to be everywhere I go
Oh yeah yeah yeah yeah yeah yeah yeah, it's my fate
It's like you want to lose control[Hook][Bridge]
It's the sweetest sensation
That I've ever known
If he's a beast, I need saving
The feeling only grows
So I know what I need whenever I need that beat
It's a whirlwind, it's so sublime
But if I let the rhythm get to me
I have no clue what I'll be
Baby, you'd think I'll lose my mind[Hook]
