So Over You

Call the Cops

So so so so so over you
Oh oh oh woah oh

It's a bad dream that I can't wake up from
It's a good thing that I can't give up on
And I know there's been a secret that you're trying to keep
And all the late night crying keeps you fighting for sleep

You think I don't know he's between those thighs
I watch him walk out with those guilty eyes
And he's another little secret that you're trying to keep
I hope the late night fighting sends you crying

I'm so-o-o so over you
I know-o-o there's nothing you can do
So choke-o-o don't dry your eyes
I hope you drown in all the lies that you've been telling

It's too late to pretend you want me
You're so two-faced, there's no spark to shock me
And I know that there's a secret that you're trying to keep
I hope-o-o it keeps you crying

I'm so-o-o, I'm so over you
I know-o-o there's nothing you can do
So choke-o-o, don't dry your eyes
I hope you drown in all the lies that you've been telling
Stutter stutter stutter
Why don't you try and find another nother nother
And choke on your lies
I'm so-o-o so over you

But you could've done a little bit better
So I believe it's that time for you to be together
This is where the movie starts to end
