Stronger

Kalenna

[Chorus:]
Now that I found my life
I'm doing better - so good to be myself
I'm doing better, so sexy, I'm stronger
You didn't hurt me, I'm stronger.
Just when you thought I won't (I'm doin better)
Thought that I would give up hope.
I'm doing better so sexy I'm stronger
You didn't hurt me, I'm stronger.[Verse 1:]
You thought that I would be nobody
Now I got to tell somebody, about my struggle and how a sista had to hustle.
See, you thought I wasn't no hottie
Now I'm the hottest chic at this party
My hips got you
My sexy lips and my eyes too you see...[Chorus][Verse 2:]
You told me I wasn't sexy
Try to shine
You wouldn't let me get my thing on
You stuck on stupid you were so wrong
You said I'm to bootylicous
Now this booty got you wishing you had backed off
And got somebody else to hate on
You see... what goes around comes back around.
One day you'll see
I'm just tryna do me
Don't hate on me[Chorus][Verse 3:]
You said I wasn't nobody
Now I got to tell somebody about my struggle
And how a sista had to hustle see
I'm just tryna do my thang
Don't rain on my parade
One day you'll see
I'm just tryna do me
Don't hate on me[Chorus]
