I'm Dead (Miles Away)

Instruction

No way out
I've accepted my own destiny
In the end I've found
Life is making your own history
I live and always will be
Miles you're miles away
I want you to write me and tell me I'm dead
'Cause this is just the same
No way out
I gave the very best of me
And in the end I've found
You lose when you give everything
Well, I am and always will be
Miles you're miles away
I want you to write me and tell me I'm dead
'Cause I'm miles you're miles away
I want you to write me and tell me I'm dead
I know it's just the
Same frustration this limitation
Well I live this every single day
Now I found out that I'm just jealous
And I waste my time
I just waste my time
I just waste my time again
Miles you're miles away
I want you to write me and tell me I'm dead
You know cause miles you're miles away
I want you to write me and tell me I'm dead
I know it's just the same
I know it's just the same
I know it's just the same
