Nora

The Long Winters

Nora says I don't love her
The way she wants to be loved
Nora knows I love trouble
But she wants stable trouble once
No one holds her to her story
If she says she's done it, she's done it
O.K. she's done it
Lord knows I owe her so much
I'm just who she said she was
Nora
Nora
Now I don't feel she feels
The same way about me
She wonders if I'll ever be
Who she dreamed I'd be
But she never says I love you
Til I say I love you
Like we're exchanging hostages
I guess it's all for the best
She knows what she wants
And I know what she's gonna get
Nora
Nora
Now I don't feel she feels
The same way about me
