## RuPaul

Baby, baby, baby
Baby, baby, baby
Baby, baby, babyWorkout, no, no, no
Work, no, no, no
Work, no, no, no
Work, no, no, noI don't need no man to make me understand
What I'm livin' for is waiting on the dance floor
I don't know 'bout you but I know what to do
All I need is room to show you what I'm living forBaby, baby, baby
Baby, baby, baby
Baby, baby, babyWorkout in the mornin'
Workout in the evenin'
Workout, take me higher
Baby, baby, babyWorkout, do it, baby
Workout, make me crazy
