

# Save It for Later

## Pete Townshend

Advisory - the following lyrics contain explicit language:

Two dozen other dirty lovers  
Must be a sucker for it  
Cry, but I don't need my mother  
Just hold my hand while I come to a decision on itSooner or later  
Your legs give way, you hit the ground  
Save it for later  
Don't run away and let me downSooner or later  
You hit the deck, you get found out  
Sooner or later  
You run away, run away and let me downBlack air and seven seas and rotten through  
But what can you do?  
Sometimes, I don't know how [unverified]  
Sometimes I don't try  
I just now, now, now, now ,nowSooner or later  
Your legs give way, you hit the ground  
Save it for later  
Don't run away and let me downSooner or later  
You hit the deck, you get found out  
Save it for later  
Don't run away, don't run away and let me downTwo dozen other stupid reasons  
Why we should suffer all this  
I can't see teeth to find a reason  
[Unverified], I come to a decision on itSooner or later  
Your legs give way, you hit the ground  
Save it for later  
Don't run away and let me downSooner or later  
You hit the deck, you get found out  
Save it for later  
Don't run away, you run away and let me downWhy don't you hold me?  
Why don't you hold me and kiss me?  
Why don't you hold me?  
Why don't you hold me and kiss me now?Save it for later, baby

Save it for later, honey  
Don't run away  
Don't run away and let me down  
Don't run away  
Don't run away and let me down
