

Taken

Young Summer

I find it strange
I find it strange
That you're wondering in this place
I thought it'd change
But the more it stays the same Which one of us will look away
Say the words that we don't say
Have I been taken by you one more time
My, my
It's like we never looked into each other's eyes
Have I
No one here is saying it's wrong
No one here is saying it's wrong
Some things are made yeah they're made
To never separate
Oh then you're face to face with it
You don't hesitate Which one of us will look away
Say the words that we don't say
Have I been taken by you one more time
My, my
It's like we never looked into each other's eyes
Have I
No one here is saying it's wrong
No one here is saying it's wrong I'm one heartbeat away from missing you again
I'm missing you again
I'm one heartbeat away from missing you again
I'm missing you again
Have I been taken by you one more time
My, my
It's like we never looked into each other's eyes
Have I
No one here is saying it's wrong
Have I
No one here is saying it's wrong
No one here is saying it's wrong
Have I
Have I
