Thursday

Dixie Witch

[Verse 1]I love her, today
Cause it's wednesday, I won't be late
Girl I need to know if you feel when I'm free ooo whoa
[Chorus]Not on monday, tuesday, wednesday, friday, saturday
Sunday but on thursday thursday
Not on monday, tuesday, wednesday, friday, saturday
Sunday but on thursday, make sure you are thirsty
Ohh h on thursday, baby get ready ohhh on thursday
Woaah you hold it ohh on thursday, just wait on thursday,
Baby only thursday
[Verse 2]Can I try? can I try?
I've been here for too long
Baby don't cry
When are you calling again?

But it's not thursday, baby why you calling?
[Chorus]Not on monday, tuesday, wednesday, friday, saturday
Sunday but on thursday thursday
Not on monday, tuesday, wednesday, friday, saturday
Sunday but on thursday, make sure you are thirsty
Ohhhh on thursday, baby get ready ohhh on thursday
Woaah you hold it ohh on thursday, just wait on thursday,
Baby only thursday.
