Waiting for the Flowers to Bloom

Viddiot

I planted a seed
It was sometime in June
I remember walking in the rain
I was walking with you
Through an ocean of stars
You were staring up at the moon
You're love is like a secret garden
I'm still waiting for the flowers to bloom.

Sometimes I move too fast
Some days I'm much too slow
Sometimes you break my heart
Some day I'll let you know
Sometimes our hearts catch fire
re-entry I'm burning up for you
Sometimes we're so far apart
Your smile can light up the room...

I planted a seed
It was early June
I was down by the sea in the rain
I was dreaming of you
Your eyes filled my heart with light
Your gentle touch healed my wounds
But your love is like a secret garden
And I'm still waiting for the flowers to bloom.

I can still see your face in my dreams
I still see your face in my dreams
...so I dream...
