

Weeping Statues

Graham Parker

Weeping statues, Elvis sightings
Visitations, man struck by lightning
Everyday someone gets a sign
It rips apart the fabric of their daily lives
Is it fear of flying
That keeps us rooted to the ground?
Everyone is dying to stay
Trapped and gagged and bound
The blind girl saw it, the deaf man heard it
The cripple stood up and walked towards it
The handless man wrote it down to report it
The moron changed the words around to distort it
Ahh, his hand was steady and his mind was clear to think
But it came out in black and white, written in invisible ink
Weeping statues, Elvis sightings
Stained glass window, man struck by lightning
Every minute someone loses control
And sees things how they really are
And not how they're told but statues only weep for some
And Elvis just shows up when he's hungry
Lightning strikes at everyone
But only hits the very lucky
Weeping statues, weeping, weeping
Elvis sightings, Elvis sightings, yeah
Everyday, everyday, everyday, everyday
Everyday, everyday, everyday, everyday
Ohh, ohh, ohh
Ohh, ohh, ohh
Ohh, ohh, ohh
Weeping statues
