Morning Sun

Before the Dawn

Drop the magic cost to cost from the ceiling to the floor
From the beach in California to the sands of Jersey shore
All my girls say "Ah" all my girls say "Oh"
All my girls in the club show me love
Boo I do, I wanna be with you till the morning sun sun sun
Boo I do, I wanna be with you till the morning sun
We make eye contact ya we're both on point x2
Come on
Deep deep deep low Ties-s-s-to
Come on(boo I do)
Rock rock rocking the show(boo I do)
All you pimps and hos
Boo I do, I wanna be with you till the morning sun sun sun
Boo I do, I wanna be with you till the morning sun
Boo I do, Pimps and hos x3
Tonight let's be pimps
Pimps x2
Tonight tonight I'll be a pimp and you'll be my ho
Boo I do, I wanna be with you till the morning sun sun sun
Boo I do, I wanna be with you till the morning sun
We pay respects to attract... to attract killers
Drop the magic cost to cost from the ceiling to the floor

From the beach in California to the sands of Jersey shore
All my girls say "Ah" all my girls say "Oh"
All my girls in the club show me love
Boo I do, I wanna be with you till the morning sun sun sun
Boo I do, I wanna be with you till the morning sun
We make eye contact, ya we're both on point x3
We make eye contact... Bulls-eye!
Boo I do, Pimps and hos x3
Tonight let's be pimps
Pimps x2
Tonight tonight I'll be a pimp pimp and you'll be my ho
I love living the life unknown
Girl in my life bottle up Patron
Do a little dancing watch it grow
Know that's not my microphone
I am a veteran at this love game

So girls let's put in a 'lil more brain
Come on girl show me what you know
Tonight let's be pimps and hos
Boo I do, I wanna be with you till the morning sun sun sun
Boo I do, I wanna be with you till the morning sun
Boo I do x3
Till the morning sun
