Roadbull

Melvins

Bull!
You square!
Is it all on your demand?
Seems as to
Where I see, yeah!
I'm for the Gingeree
Miss it all
Miss it all

Get loud! Make war! Make freedom!
Key!
Get loud! Make war! Make freedom!
Key!
Get loud! Make war! Make Freedom !
Key!

In the path of Gingeree
I'll warm and hold the key
Been warned in time
I let the war man die.
