

# Remember

## Museum of Devotion

A smile came up and broke our strain  
And you and I remember that day. Today  
The snow was falling in the midst of my fears  
and it satisfies them if they like it.  
And you know they will, you know they will.  
Iâ€™ve got to fight the signals that  
Can hold them in their arms  
And hold them next to your body tonight  
and cover them up with dirt.

In the falling snow and the burning dew  
And people will do what they want to do,  
Theyâ€™re wanting to gamble and they didnâ€™t get high, they didnâ€™t get high.
