Antennas

Rancid

When you plan that you're antennas are pointed in the right direction
Let California fall into the fucking ocean
You make a deal in any situation
So with no evacuation
You're selling sexism, you're selling racism
You're selling everything you get your fucking hands on
A presentation to advertisers who demand it

An understanding, you gotta plan in
Oh you're the town man
Oh they talk to ya
Oh it's a done deal
Dear makers making it all happenHigh profile Hollywood scumbag
All signed and sealed
