So You Die

Bloodbath

I will have a feast on your soul
and watch your world as it comes tumbling down
you know there is no return
I will make you burn inside your time has comeI show no mercy
you know i know no other way
than to revel in your flesh
I am born to conquer
so you dieI live inside you
so you die
I won't surrender
so you dieand now when your days are counted
i have reached my goal
you are broken down
your life is lost i have collected yet another soulthat's when you see
that you have lost your soul to me
that's when you feel
that you have lost the will to live
and i am still here
waiting for the next to drain of life
and I am stronger now
than when i took your useless lifeno living thing can be spared from my attack
when i feel the urge to kill
I hate your breath and the strength you get from life
because i have never lived
and now its my time to be one with
all the mortal ones that walk the earth
I enter human form my wicked soul lives on into eternity
