BREATHE YOU

Neon Hitch

You're still not here like you promised to be,
Stop under this confusing bow that keep tight me.
I now realize my feelings for you
Now I don't unchained, 'cause this an obsession anything.And when you're sleeping
I just don't see,
I-I believe in you, in you.
I'm trying hide away the truth,
But I need you, feel you, need you
And I-I-I breathe you, breathe you, breathe you.
Na na na na na.Is this the zimber ring in my fingers of yours?
Do you belong in my head was a cover of you?
You only crossed my mind once,
And stayed forever!I'm scared to fall into your safetyness
I'm scared to fall into your safetyness.
