# Vinous

## Azure Marl Void

Darkness sleeps in my veins.Â Someday I'll become that which I hate.Â From the tree of good and evil that'll encompass me.Â Knowledge over immortality.Â A losing battle to my humanity.Â This war I wage is all mere mirage of me.Â Jesus, save me from me.Â This darkness is sleeping my veins.Â I refuse the carnal man I am.Â Yet I excuse the very sin I do.Â Jesus, save me from me.Â For in darkness my soul seems to sleep.
