Vienna

London Symphony Orchestra

Vienna can you hear me?
Lazing on the afternoon
Cathedral bells
A ringing, ringing, ringing, ringing
Ringing the sound
Winter can't ignore her
Spring will bring her back to blossoms
Summer bring her back to me now
Bring her, bring her, bring her, bring her
Bring her to me
Shoulder to shoulder
Be back in a month I told her
Wishing well
I wish her, wish her, wish her, wish her
Wish her with me
Vienna was machst du?
I'm running through the streets of Z
