

# Bad Girl

Devendra Banhart

I've been a bad girl  
I ain't playin' fair  
I want you to be free  
But I don't wanna share No, I don't wanna let you go  
But it's about time I do  
Well, I can't blame you anymore  
But I still love you I know it ain't easy  
Being left on your own  
Why did you leave me?  
Well, I don't really know And why wait another day  
When a day won't change a thing?  
Please don't ever let me say  
That again Mama, I ain't waiting  
I ain't waiting  
But I'm still holding on, yeah Mama, I ain't waiting  
No, I ain't waiting  
But I'm still holding on  
Holding on, baby Mama, I ain't waiting  
No, I ain't waiting  
But I'm still holding on, yeah Mama, I ain't waiting  
No, I ain't waiting  
But I'm still holding on
