Feeling Fine

P'UNK~EN~CIEL

You say you're alone, oh, oh
All on your own, I'll never know why
Where do you turn? Oh, oh
Where do you turn? you'll never know why
Wherever you go, oh, oh
Wherever you go, I'll never know why
When will you learn? Oh, oh
I don't know, I'll never know
She'll never believe me
She knows that I'm running out of time
But time is a healer
I'm trying to get her off my mind
She'll never believe me
She knows that I'm running out of time
But time is a healer
Tomorrow I know I'm feeling fine
You say that I'm wrong, oh, oh
Everything's wrong, you'll never know why
Now that I'm gone, oh, oh
Everything's gone, you'll never know why
Feeling so cold, oh, oh
Out in the cold, I'll never know why
When will you learn? Oh, oh
I don't know, I'll never know
She'll never believe me
She knows that I'm running out of time
But time is a healer
I'm trying to get her off my mind
She'll never believe me
She knows that I'm running out of time
But time is a healer
Tomorrow I know I'm feeling fine
I'm trying to get her off my mind
She'll never believe me
She knows that I'm running out of time
But time is a healer
Tomorrow I know I'm feeling fine
Tomorrow I know I'm feeling fine
Tomorrow I know I'm feeling fine
