These Dreams (Of You)

Van Morrison

I dreamed you paid your dues in Canada
And left me to come through
I headed for there right away
I knew exactly just what to doI dreamed we played cards in the dark
And you lost and you lied
Wasn't very hard to do
But hurt me deep down insideThese dreams of you
So real and so true
These dreams of you
So real and so trueMy back was up against the wall
And you slowly just walked away
You never really heard my call
When I cried out that wayWith my faith against the sun
You pointed out for me to go
And you said I was the one
Had to reap what you did sowThese dreams of you
So real and so true
These dreams of you
So real and so trueAnd hush-a-bye, don't ever think about it
Go to sleep, don't ever say one word
Close your eyes, you are an angel
Sent here from aboveAnd Ray Charles was shot down
But he got up to do his best
Crowd of people gathered 'round
And to the question answered yesYou slapped me on the face
I turned around the other cheek
You couldn't really stand the pace
And I would never be so meekThese dreams of you
So real and so true
These dreams of you
So real and so trueBut hush-a-bye, hush-a-bye, don't ever think about it
Go to sleep, don't ever say one word
Close your eyes, you are an angel
Sent here from aboveAnd hush-a-bye, hush-a-bye, don't ever think about it
Go to sleep, don't ever
Close your eyes
