Ancient Kingdom

Mastodon

When the Sultan gives orders to take your head
You must ride the wind to safety or you'll wind up dead
Through the evil and darkness you make your stand
Only skeletons of war will guide you by the handSilence growing loud
Failure is not allowedThe battle that rages before my eyes
Is no different than the one that is inside my headSilence growing loud
Failure is not allowedAncient Kingdom still remains
Crumble slowly
Ride beyond mortality
Leaving beauty now
Falling rain
Sensing pain of mind
Falling rain
Sensing pain of mind
Pain of mindFalling rain
Sensing pain of mind
Falling rain
Sensing pain of mind
Pain of mindSilence growing loud
Failure is not allowedAncient Kingdom still remains
Crumble slowly
Ride beyond mortality
Leaving beauty now
Sparks explode into the air
Live forever
Ageless sounds they never die
And I will remain
